

Citroën HY 75 Anniversary Festival,

Mookerplas 26 t/m 29 mei 2022

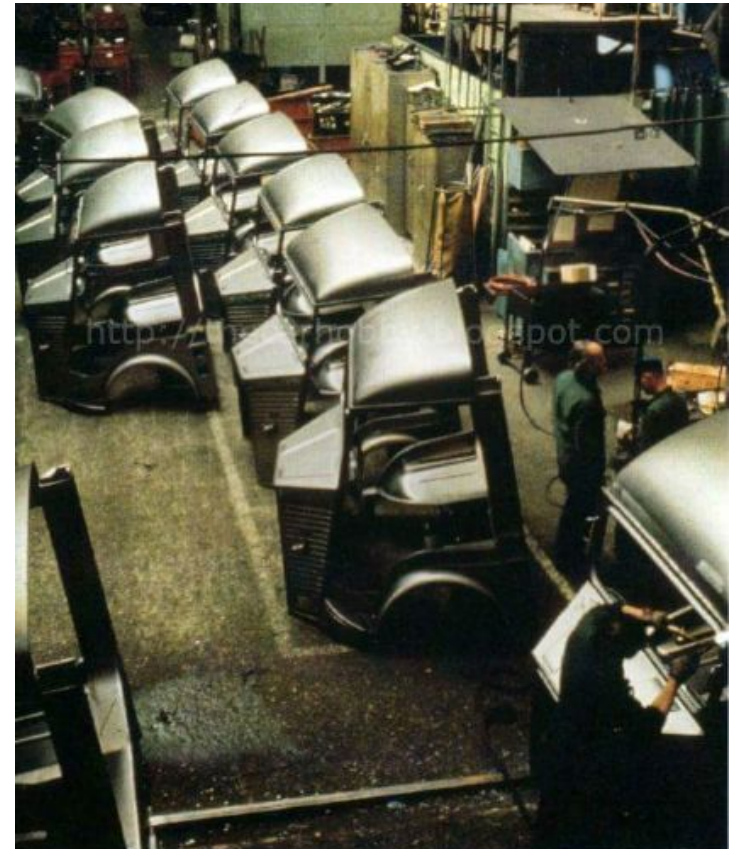

Dear HY drivers,

For some time, the two dutch clubs HY Team Holland and Le Camion are busy organizing an international HY festival. This is a fact and will take place during Ascension weekend 2022. It will take place at the beautiful area of Mookerplas in Mook. We will celebrate the 75th anniversary of the HY in a big way! Where young and old can look forward to!

introduction of the secretariat

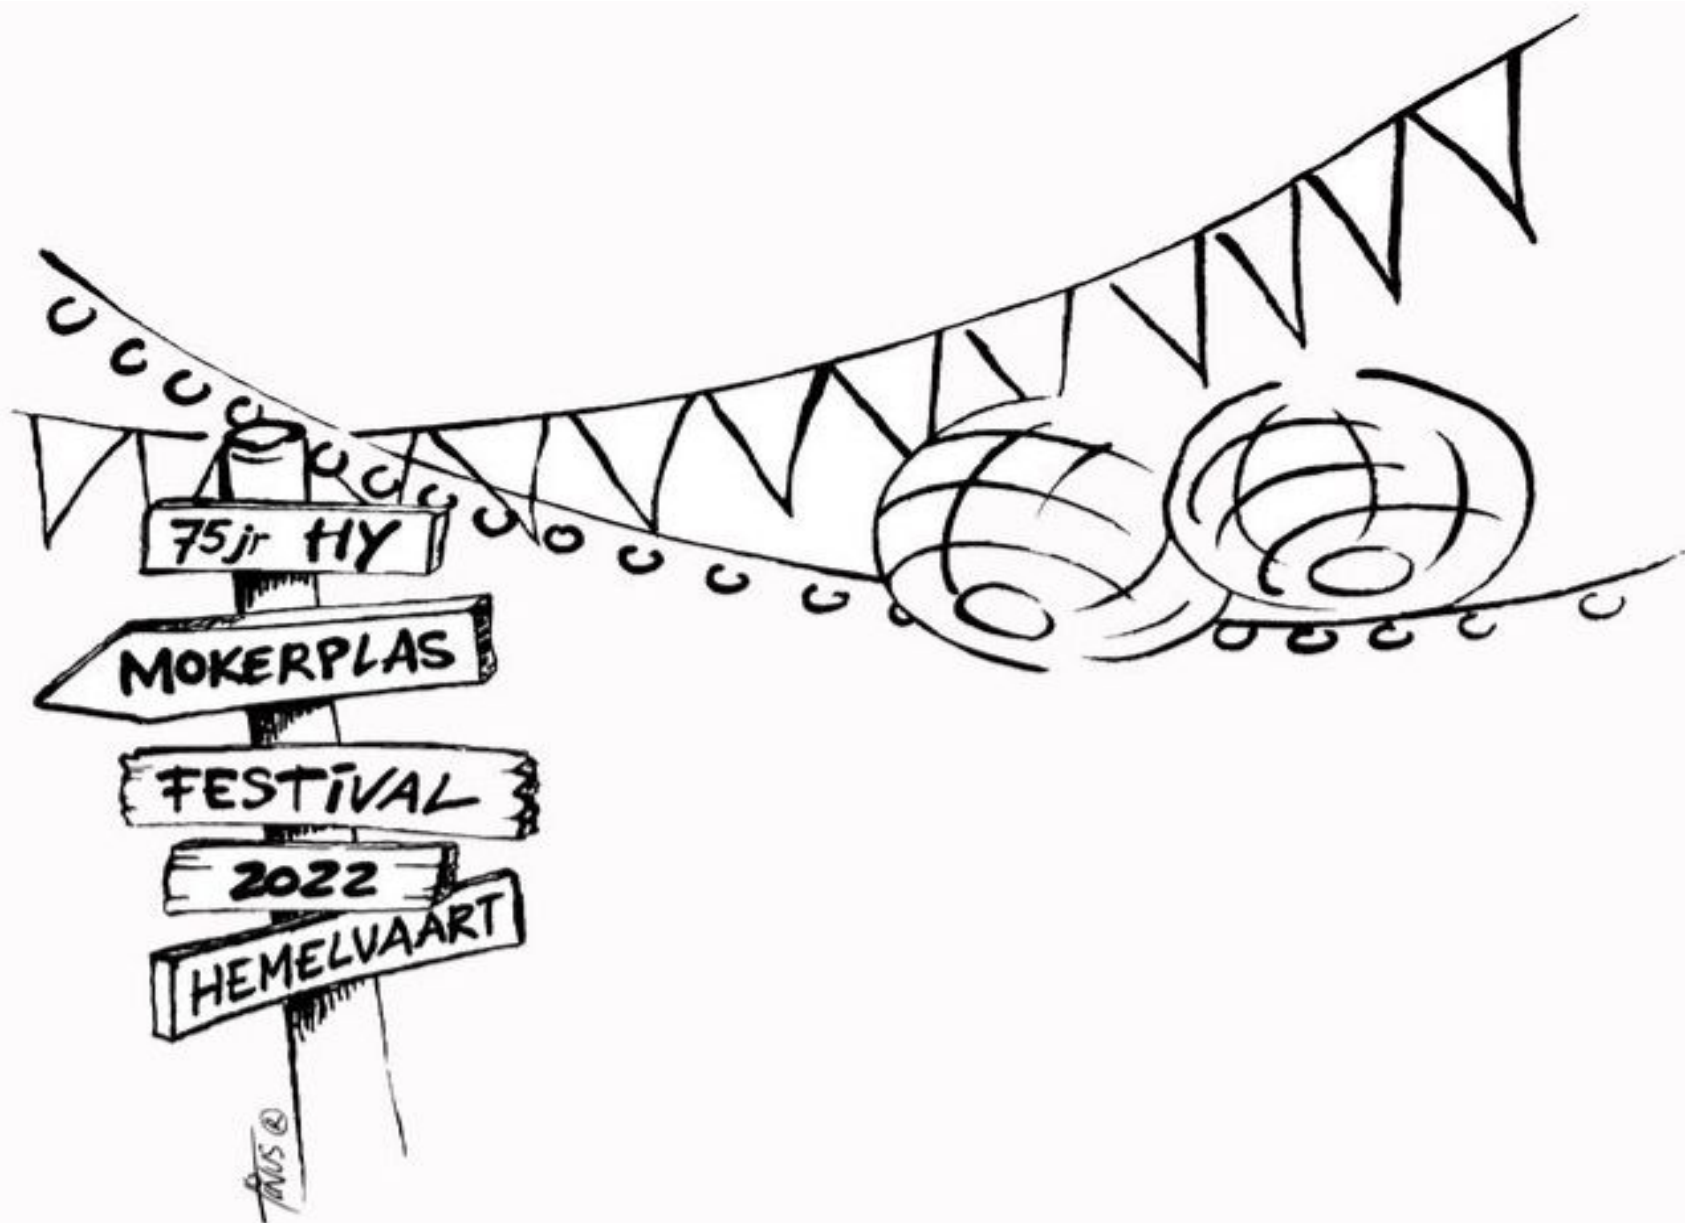

Quote website Citroen HY-team Holland: In 1946 the first HY was produced, after which in June 1947 visitors of the Salon de l' Automobile in Paris could finally gather around a remarkable kind of van on the stand of Citroën. Type H' was shown to the public.

75 ago, first H-type.
